A KISS IN PARIS BY CUCCIO COLOUR™

A 60 colour nail lacquer range compiled from the industry's top selling colors!

VALENCIA, CA – JUNE 1, 2012

Paris is a city for lovers thus inspired the name for this romantic color A Kiss in Paris. There is just something about Paris that ignites a passionate kiss! Wisk your clients away to Paris with in minutes with this Parisian shade of Red (the color will last weeks longer than the actual kiss)! A Kiss In Paris is a classic shade that is a quintessential standard for every woman. Every woman at some point in her life will need to wear this sexy shade of red. It is a versatile color for all ages, styles and not to mention skin tones. This timeless red is elegant, glamorous and seductive all in one bottle. Perfect for day or night being able to dress it up or down.

Cuccio Colour™ lacquer is an industry first with patented, enhanced Triple-Pigmented Technology for a true color application in one coat and perfect application in two coats! The cushion-based formula fills in nail imperfections, self-levels and quickly dries between coats.

Cuccio Colour™ is an ultra long-lasting, high shine polish with incredible wearability. In addition to fashionable shades the formula is 100% toluene, and DBP free!

Cuccio Colour™ is offering a perfect retail kit for the salon: A Kiss in Paris kits includes: 13mL Base Coat, A Kiss in Paris Lacquer and a High Gloss Top Coat. This try and buy kit is the perfect trial kit for salon owners looking for a new professional brand on the market.

Color is an expression of emotion and evokes a sense of personal beauty and liberation. The polish line is a fashion forward, sophisticated line with an edge. Get to know Cuccio Colour™ line at your local distributor today!
