New Lavish Lemongrass & Lavender Body Butter

Cuccio Naturalé is Unveiling a New Butter to Hit the Spa Line

Valencia, CA – June 1, 2010

Cuccio Naturalé's new Lemongrass & Lavender body butter is an invigorating yet calming body butter. The rich, dense body butter is the perfect balance of moisture delivered to the skin, lasting 24 hours! The time-released emollients slowly disperse a cascading amount of oils into the skin leaving it feeling healthy yet refreshed. The intense body butter contains an ample amount of essential ingredients to nourish any type of hungry skin.

The luxurious body butter gently nourishes and smoothes your clients skin in one simple step:

- Lavender extracts: Great for the mind body and soul; it supports calm composure and reduces stress! It not only has spiritual enlightenment but it contains a skin soothing properties.
- Vitamin E: Shown to help encourage cell renewal
- Lemongrass & Chamomile: Chamomile is great for elevating dry skin. Lemongrass is great for relieving sore muscles.
- Jojoba seed oil & wheat germ oil: Wheat Germ Oil is a rich blend of oils that contains high amounts of antioxidant rich properties to stop free radicals in it's tracks! While Jojoba Seed Oil closely resembles that of the skin's natural sebum, so it is easily absorbed and rarely causes allergic reactions, even in the most sensitive individuals.

The new Cuccio Naturalé Lemongrass & Lavender body butter is available in the traditional 8oz size. For more information on the new spa product please contact Arica Carpenter at 661.257.7827 ext 316 or the Cuccio Naturalé website at Cuccio.com.
